

Let's secure the digital landscape of today and tomorrow, together.

Sectigo's Investment in the Future

Secure Partner Program is our investment in our partners. This program demonstrates Sectigo's continued commitment and investment in the channel, providing a multi-tiered approach with a broad range of benefits for partners. This program advances our partners' ability to build new capabilities, deliver more customer value, drive more profitability and accelerate growth in today's cybersecurity market.

Sectigo web security solutions is our investment in your future. The success of your customers' business centers around the digital security solutions you offer. The SiteLock solution automatically helps protect your customers' website and business from insidious cybercriminals that exploit weaknesses to penetrate their web platform.

Partnering with Sectigo

Together we will secure customers with industry-leading web security products, while accelerating mutual growth and profitability.

When you partner with Sectigo, you will:

- be aligning yourself with the global leader in cybersecurity
- solutions to secure websites, devices, applications, and users have access to our extensive product portfolio and offer our full line of solutions with products and price points to meet the demand of any sized customer
- receive tools, training, sales and technical support to help you sell across the globe

Partnerships are the cornerstone of our success. From our worldclass security offerings to our peerless partnership program, we are committed to providing the tools you need to increase your visibility and profitability, all while securing your customers with our industry-leading product portfolio.”

— MICHAEL FOWLER, PRESIDENT
OF CHANNEL PARTNERS, SECTIGO

Sectigo Secure Partner Program - Connect. Secure. Succeed.

The Sectigo Secure Partner Program and its three key components; Connect, Secure and Succeed, have all been designed to help partners grow their skills and establish highly profitable security practices.

This program is our commitment to our partners' success. It's a growing and dynamic ecosystem of programs and resources developed to help our partners maximize profitability. With it, partners can make the most of their technology expertise, build lasting customer loyalty, accelerate their sales pipeline and grow the skills of their entire organization. It's an invaluable platform to secure the digital landscape of today and tomorrow, together.

Secure Partner Program Benefits

The Sectigo Secure Partner Program is built on the same fundamental principles that drive every business decision we make as an organization. It's all about scaling with precision, investing with impact and recognizing achievement. Connecting our Sectigo Secure Partners to training, resources and benefits is critical to your success with Sectigo. When you join the Sectigo Secure Partner Program, you will be granted access to the Connect Partner Portal where you will get quick, direct access to:

- **Sectigo University** – free, web-based learning environment with Sectigo sales and technical training
- **Partner Resource Center** – sales collateral, technical product documents, marketing tools and guides
- **Secure Partner Program Benefits** – Secure Partner MDF program, promotions, incentives and more
- **Webinars and Events** – partner-only, on-demand and live events to fit your schedule

Partner with us in the Sectigo Secure Partner Program and increase your visibility and profitability. This tiered program offers a wide range of benefits, training, accreditations, and rewards to ensure your leadership and success in the web security landscape.
